In the holiday settlement of Schinias or Schinias in Marathon, about 3 kilometers north of Timvos, is Schinias beach. It is 50 km from the center of Athens and can be reached by car or the Athens KTEL.

It has a very large area and is located at the edge of a verdant pine forest, whose trees reach the beach.

It is beautiful, clean and big enough to withstand the summer pressure of thousands of visitors.

Its shallow depth and fine sand make it ideal for children and for all kinds of games.

Backed by a lovely pine forest for shade and several shops offering food and coffee, the beach is also ideal for a full day stay.

The beach of Schinias is organized in several places and is an excellent choice for families.

If one crosses the ramparts of the main road behind the forest of the area and goes towards the beach, one finds the best place for peace and relaxation, where the landscape is impressive and suitable for walking.

Parking is available in the area.
