Asproneri is one of the best and cleanest beaches of the Maliak Gulf.

It is located just 3 kilometers outside of Kamena Vourla and is bustling with life every day as crowds of people flock from all over Fthiotida to enjoy its clean and cool waters.

- The beach and the bottom are covered by small pebbles
- It is organized for the most part with deckchairs and a canteen with the necessary items.
- There are also showers and changing rooms.

Of course, great attention is needed in the area of the Lighthouse as it is not suitable for swimming due to the strong currents.
