In the central beach of Varkiza is the huge, both in length and in area, sandy organized beach YaVanaki, a beach with sand and shallow waters.

It is a multipurpose space with many different activities as well as shops and services that operate from morning to night, for all preferences.

On the premises you will find free parking, while there is a possibility for water sports, such as banana boating, windsurfing, water skiing, windsurfing, beach volleyball and a brand new children's park with a roller coaster and bouncy castle, as well as a first aid station and a lifeguard.

There are sunbeds and umbrellas on the beach and it has three beach-bars in all three restaurants.

Access other than your private car can be easily done with the regular bus routes that serve the area.

You won't have a parking problem except maybe on Sundays.
