

Aghioi Apostoloi

38.2950011, 23.9009119

Arriving at the port of Agios Apostolos, on the left the road leads to Oropos passing through several more neighborhoods and on the right to Angona, the best place for swimming in the area.

The entire length of the coast has pebbles, however, in Agona the sand begins as soon as you enter the water, while at its end the Agona Beach Club gathers the young people of the wider area and those who feel young, from the morning with coffees and beach volleyball, until the evening with drinks and music, rambling towards the opposite Evia.

The hidden secret of Agios Apostolos for swimming is Limniona, a bay continuing after Angona, quite protected from the winds and much quieter on weekdays.
