

Tsakaioi beach

38.240354229216, 24.24586057663

Another postcard-like, blue, small beach next to Limnionas, with a few stone-built houses left and right, made with tiled roofs. Fairly protected from the wind, with a sense of nostalgia, without umbrellas and the like. If you want, you can also go on foot or by car from Limnionas, following the narrow, paved road.

Overview
