

Tigaki beach

36.888957224441, 27.191505432129

Water shallow and warm. Fine sand. Water and land games.

The beach at Tigaki, a resort of the locals for decades, has been awarded several times with a "blue flag" for its clear blue-green waters. Organized in places with beach bars and restaurants that lift the mood with music and flavors, it offers a wide variety of games and sports, satisfying young and old alike.

For visitors who prefer to quietly enjoy the sun and the sea, Tigaki beach offers spots of absolute tranquility, with the eye stopping at the beautiful Pserimos, a challenge to discover.

In the west, the landscape calms down and stretches out lonely and unique, a delight for every traveler.
