

Voidokilia beach

Voidokilia beach

36.9642157, 21.662928533747

Voidokilia beach is situated in the picturesque Messinia region, close to Pylos. Its fine sand and symmetrical shape make it one of the most beautiful beaches of Greece. The area is a protected Natura 2000 site, so there are no facilities, however, there are some archeological sites to be discovered.
